Subject: Google Ads Grant for South Buckinghamshire University Of The Third Age

Att: Michael Shears

Hi

The Charity Commission said that you are the Chair for South Buckinghamshire University Of The Third Age.

So we just wanted to confirm with you that you're currently receiving the ad grant of up to 100,000 Pounds every year that is available to you from Google?

Because unfortunately the majority of charities aren't even aware this help exists!

We haven't included a link to Google's own information on this subject because we didn't want to concern you in any way about being asked to follow a link in an email.

So can we instead ask you to simply verify this by just doing a quick search in Google for:
"google ad grants"

You'll instantly see this is 100 percent genuine

And then we'd love to discuss your individual situation in more detail

To help you benefit from this huge grant that can be used to fundraise, find more volunteers & many other things.

We're one of the UK's leading Paid Ads companies & can provide expert guidance through the entire eligibility process

Something that is unfortunately not always easy to navigate on your own without being rejected

And then once approved, we'll deliver an advanced PPC campaign to maximise the revenue & support your charity can generate using this grant, with investments from 99 Pounds each month.

So if 100,000 Pounds every year in ad grants from Google is of interest

Just reply to this email and we'll reach out to you by return

Or if you prefer to have a chat, our number is 0203 5763371.

Thanks

Fiona
